

Steps we follow to serve you better

STEP 1

Download Patient Information Form, print it, get it filled by your doctor, scan it and email us as attachment with your query and specific medical details.

STEP 2

We will identify our doctors and they will be consulted with your medical details.

STEP 3

The suggestions/recommendations given by the doctors will be reverted back to your mail ID with duration and cost of treatment. In case of any other details required by our doctors, it will be informed to you.

STEP 4

Once you give confirmation, we shall discuss the dates of consultation/operation with our consultants.

STEP 5

After your bookings you shall inform us your date of arrival.

STEP 6

We provide Airport pick-ups and Hotel accommodation in case you require. You have to inform us prior to your arrival in India.

STEP 7

We arrange your meetings with our doctors. An escort is provided with you during your visit to the hospital.

STEP 8

We proceed further as per the advice of the doctor.

STEP 9

In case of a short holiday tour required, we will help you for the arrangements.

STEP 10

Hotel check out and you return to your country.
